

a

A hexagonal grid with a path of colored cells (yellow, orange, purple, pink) and black dots, resembling a stylized letter 'L'. The path starts at the top right and extends downwards and to the left, forming a shape similar to the letter 'L'. The cells are colored in a repeating pattern of yellow, orange, purple, and pink, with black dots scattered along the path.

A stylized, colorful, pixelated graphic of a large letter 'L' or a similar shape, composed of many small, overlapping circles in various colors (yellow, orange, red, purple, blue, green) against a black and white grid background.
