

A hexagonal grid with a path of colored cells (yellow, orange, purple, pink) and black dots, resembling a stylized letter 'L'. The path starts at the top right and moves downwards and to the left, then turns and moves downwards and to the right. The dots are concentrated along the path, particularly in the purple and pink cells.

A stylized, colorful, pixelated graphic of a large letter 'L' or a similar shape, composed of many small, overlapping circles in various colors (yellow, orange, red, purple, blue, green) against a black and white grid background.
